

**SAROJA**  
PHARMA INDUSTRIES  
INDIA PVT. LTD.

**"Our Commitment Is Our Strength"**

## **ABOUT US :**

**We are amongst the leading traders, exporters and suppliers of speciality chemicals & API. Our offered range is widely praised for its superior effectiveness, shelf life and perfect composition.**

**Under the guidance of our highly qualified management team we have attained several heights of success till date. The managerial skill and ability of our directors to understand The market and determine the changes has helped the company to tackle several hurdles and reach the next level.**

**Our directors expertise and experience in this field for nearly 25 years is the biggest asset to the company.**

# OUR PRODUCTS

## PHARMA API

- Closantel Sodium Dihydrate
- Furosemide
- Oxfendazole
- Rafoxanide
- Trichlorocarbanilide (TCC)
- Clorsulon
- Diethyl Carbamazine
- Diethyl Carbamazine Citrate BP
- Niclosamide
- Pyrantel Pamoate
- Povidone Iodine
- Albendazole
- Triclabendazole
- Closantel Base
- Fenbendazole
- Oxyclozanide
- Ricobendazole
- Toldimphos Sodium
- Bromhexine HCL
- Sodium Selenite
- Potassium Iodide
- Deltamethrin
- Meloxicam
- Cypermethrin

## PHARMA INTERMEDIATES

- (Dimethylamino)-1-(2-Thienyl)-1Propanol
- 3-(Dimethylamino)-1-(2-Thienyl)-1Propanone HCL
- (S)-3-(Dimethylamino)-1-(2-Thienyl)-1Propanol
- Intermediates for Amoxapine & Loxapine
- Methyl-3-Amino-2-Thiophene Carboxy
- Intermediates for Tiotropium Bromide
- Intermediates for Suxamethonium
- Intermediates for Brinzolamide
- Intermediates for Lornoxicam

- **2,3-Dibromo Propionitrile**
- **Intermediates for Linezolid**
- **Intermediates for Glimepiride**
- **Intermediates for Gefitinib**
- **Intermediates for Ezetimibe**
- **Intermediates for Erlotinib**
- **Intermediates for Edoxban**
- **Intermediates for Doxylamine**
- **Intermediates for Dorzolamide**
- **Intermediates for Dasatinib**
- **Intermediates For Arotinolol**
- **Intermediates for Apixaban**
- **Intermediates for Sertaconazole**
- **Intermediates for Mirabegron**
- **Intermediates for Rivaroxaban**
- **Intermediates for Sorafenib**
- **Intermediates for Sunitinib**
- **Intermediates for Tiagabine**
- **Intermediates for Tioconazole**
- **Intermediates for Zileuton**
- **Pyridine derivatives**
- **Thiophene derivatives**
- **Methyl Thioglycolate**
- **2-Acetyl Thiophene**
- **Sesamol**

## OTHERS

- **Benzoic Acid (PURE GRADE) Imported**
- **Aluminium Chloride Anhydrous Powder**
- **Triethylamine Hydrochloride (TEA HCL)**
- **Potassium Carbonate Granules**
- **Sodium Hydro Sulphide(NAHS)**
- **Tetra Butyl Ammonium Bromide**
- **Hydrazine Hydrate 80%**
- **Hydrazine Hydrate 64%**
- **EDTA(Di Sodium Salt)**
- **Chlorosulphonic Acid**
- **Caustic Soda Flakes**
- **Ammonium Formate**
- **Benzaldehyde**
- **Benzyl Chloride**
- **Benzyl Alcohol**
- **4 Hexyl Resorcinol**

- Chlorosulphonic Acid
- Cinnamic Aldehyde
- Caustic Soda Lye
- Ethyl Acetate
- Methanol
- Tetra Hydro Furan
- Thiophenol

- Sodium Metabi Sulphite
- Sodium Bi Sulphite
- Sulphuryl Chloride
- ISO Amyl Alcohol
- Liquid Bromine
- Thiophene

## CHEMICAL

- Thionyl Chloride

- Mono Chloro Benzene
